

Kiddush/ Cholent / Shalosh Seudos Sign Up

A highlight of our shul is coming together and enjoying a kiddush, cholent and shalosh seudos. They foster camaraderie and achdus amongst our members. In order for us to continue this popular tradition, we request that everyone sponsors or co-sponsors at least one kiddush, cholent and/ or shalosh seudos per year. It can be for a birthday or anniversary, in honor of, in memory of, or just because.
