Shabbos Shekalim

The Shabbos before Rosh Chodesh Adar - except when Rosh Chodesh Adar is on Shabbos - is designated as Shabbos Shekalim. This Shabbos, two Sifrei Torah are removed from the Aron Kodesh. We read the weekly Sidra from the first one, and the Maftir Aliyah is read from Parshas Ki Sisa. The Maftir speaks about the requirements for each male 20 years and older to donate one half—shekel for communal sacrificial purposes.

Rosh Chodesh Adar begins this upcoming Wednesday evening, February 14, and concludes February 16. The molad, which is the precise time the new moon appears over Jerusalem, will be 9 minutes and 3 chalakim after 3 pm.
