Shalosh Seudos

We thank Ephraim for sponsoring this week's Shalosh Seudos in honor of the Shul.

Shabbos Parah

This Shabbos, which is the Shabbos before Shabbos Ha-Chodesh, the Maftir is read from the Torah portion "Chukas". This portion speaks about the laws of purification through the ashes of the red heifer. The reason we read this portion before Nissan is that during the time of the Beis Hamikdash the people who came in contact with a corpse were alerted to purify themselves in order to be able to offer the Passover sacrifice in a holy state at the proper time.

Rosh Chodesh Nissan / Molad

Rosh Chodesh Nissan will occur next Shabbos. The molad, which is the precise time the new moon appears over Jerusalem, will be early Shabbos morning 53 minutes and 4 chalakim after 3 am.

Daylight Savings

Remember to turn your clocks one hour ahead early Sunday morning, March 11.

Mazal Tov

We wish a hearty Mazal Tov to Dan and Phyllis LaViertes on the birth of a grandson to Phyllis.

We wish a hearty Mazal Tov to Simon and Idell Wider on the birth of a grandson.
